AQUA PURE PACKAGED DRINKING WATER

CENTRAL QUALITY ASSURANCE & TESTING LABORATORY | NABL ACCREDITED & BIS IS 14543

Industrial Area Phase II, SIPCOT Complex | FSSAI Central License No. 10018042000000

Microbiological Sterility & Pathogen Cleared Test Certificate

Certified 48-Hour Agar Plate Incubation, Coliform, Yeast & Mold Analysis

Certificate No: AP/QA/AQ-2026-MIC-STER-901 | Sampling Date: 04-Nov-2026 | Testing Completed: 05-Nov-2026

Batch / Lot: AQ-2026-MIC-STER-901 | Sample Format: Finished Goods Multi-Format Random Composite | Status: PASS / CONFORMS

Testing Protocol: IS 3025 / IS 14543 | Sampling Location: Automated Filler Line | Release Authorization: Dr. S. Rao, Chief Chemist

Parameter Evaluated	Test Method	Observed Value	BIS IS 14543:2018 Limit	Status
Aerobic Microbial Count (20-22 deg C)	IS 5402 / 72h Plate	**0 CFU/ml**	Max 100 CFU/ml	**PASS**
Aerobic Microbial Count (37 deg C)	IS 5402 / 24h Plate	**0 CFU/ml**	Max 20 CFU/ml	**PASS**
Total Coliform Bacteria	IS 5401 Membrane Filter	**Absent in 250ml**	Absent in 250ml	**PASS**
Faecal Streptococci	IS 5887 Membrane Filter	**Absent in 250ml**	Absent in 250ml	**PASS**
Staphylococcus Aureus	IS 5887 (Part 2)	**Absent in 250ml**	Absent in 250ml	**PASS**
Pseudomonas Aeruginosa	IS 13428 Annex D	**Absent in 250ml**	Absent in 250ml	**PASS**
Sulphite-Reducing Anaerobes	IS 13428 Annex C	**Absent in 50ml**	Absent in 50ml	**PASS**
Vibrio Cholerae & Salmonella	IS 5887 (Part 1 & 3)	**Absent in 250ml**	Absent in 250ml	**PASS**
Yeast and Mould Count	IS 5403 Sabouraud Dextrose	**Absent in 250ml**	Absent in 250ml	**PASS**
Cleanroom Laminar Air Particle Count	ISO Class 5 Laser Counter	**0 particles > 0.5 um**	Max 3,520/m3	**PASS**
Capping Head Sterility Swab	ATP Bioluminescence	**0 RLU (Sterile)**	Max 10 RLU	**PASS**
Incubation Verdict	Certified Pathogen-Free	**Sterile / Non-Reactive**	Cleared for Release	**PASS**

STATUTORY LABORATORY CONCLUSION & DISPATCH CLEARANCE:

This batch sample conforms in all measured physical, chemical, and microbiological parameters to IS 14543:2018 specifications. The production batch is certified safe, sterile, and formally released for consumer distribution.
